Baltimore Elite Martial Arts Academy Camp Program

Hello Students and Parents!

My name is Ms. Angel and I am the Program Coordinator at Baltimore Elite Martial Arts Academy. I'm excited you have decided to look at Baltimore Elite for your After School & Summer Camp program this year. Along with After School and Summer Camp, we also offer Day Camp during school closures and Spring Break. You can sign up for any one program, or combine them depending on your needs or wants.

All of our camp programs focus on developing character while providing a very active and educational experience for all of our campers. We have a variety of structured and free-time activities and field trips and divide in groups based on age, experience level in martial arts, interest and activity level of our campers. We are looking forward to a fun activity-filled year!

Your child will be learning self respect, discipline, motivation and self control. Each student will have a martial arts class every day. We teach 2 styles of martial arts; Tae Kwon Do and Brazilian Jiu-Jitsu. Students in our Camp programs will be divided into groups based on their experience with martial arts so that the level of instruction provided is appropriate for each student.

Along with martial arts classes, some of the activities we will be doing include dodge ball, capture the flag, freeze dance, arts and crafts and Spanish lessons. We also have game room activities with including air hockey, foos-ball, billiards, movies and video games. Some of the summer camp field trips include swimming, roller skating, science center, go-karts, laser tag, mini golf, museums and much more.

Enclosed in our Camp Materials you will find two important documents:

Baltimore Elite's Camp Info Packet: This document gives you information about our camp programs, how they're run and what they include.

Baltimore Elite's Camp Registration Packet: This document needs to be printed and completed if you decide to enroll in a camp program at Baltimore Elite. Please bring it with you when you come to Baltimore Elite to register.

Please be sure to read all the information carefully and let me know if you have any questions or would like more information. I'm happy to answer any questions you may have about our programs and what great things we have to offer!

I look forward to seeing you in camp this year,

Angel Kiskadden
